

# Workshop Wrap Up

HTCondor Workshop. Cuneo, Italy

10-14<sup>th</sup> October 2022

Chris Brew and Christoph Beyer for the Organizing Committee

# Special Thanks

- First of all, thank you to all of you for travelling and joining us here for the first in-person Workshop since 2019

# Special Thanks 2

- To Helge
  - Thank you for setting up this series of Workshops, organizing the previous 7 and your invaluable support and guidance to Christoph and me as we muddled our way through this

Quiz: Name the film/superhero?

# Workshop in Numbers

- 30 Attendees
  - 20 from Europe (inc. 7 from Italy)
  - I think more biased towards experienced admins than past workshops
  - Travel is hard, many institutes only sending one person
  - Mix of new faces and old friends
- 18 Institutes from 12 Countries

# Presentations

- 41 Contributions by 15 Presenters
  - Scheduled Duration 15h25m
  - HTC Team – 12h0m
  - Users – 3h25m
  - Discussion 1h25m open discussion – lots included in the other sessions
  - Office Hours 50m
  - 30m Show and tell session - I enjoyed this
  - Interesting wide range of talks, high quality presentations.
  - New style of themed sessions, I thought them interesting and a success but let us know if you think different
  - Thanks to speakers and chairs for flexible time keeping to keep us on schedule

# Visit

- Very interesting tour of Cuneo
  - Learned a lot about the history of Cuneo
  - Thanks to Gabriele and Enrica for organizing

# Breaks

- Coffee Breaks
- Lunches
- Organized Social Events
  - Reception
  - Workshop Dinner
- And the impromptu social events
- Countless hours of valuable discussion and networks built and reinforced

# Facilities

- Excellent Venue
  - Right size for the group
  - Magnificent AV Facilities
    - Mostly Smooth running
  - Separate room for Lunch and Coffee

# Next Workshop

- The Organizing Committee and the HTCondor Team suggest we continue with the series
- Have a number of offers to host us but open to more
- Is the length (3.5 days Tuesday to Friday lunchtime) right?
- Is the frequency (annual) right?
- In person/Virtual/Hybrid?
- Send feedback on those and any other things to me, Christoph or anyone else in the organizing committee.

# Advert – HEPiX Workshop Series

- Interested in presentations and exchange of experience on computing for large-scale sciences?
  - Computing and batch systems
  - Storage and file systems
  - IT facilities
  - Networking and security
  - Basic IT services
  - End-user IT services and operating systems
  - Grids, clouds, virtualisation
- Consider joining HEPiX workshops
  - Next one October 31<sup>st</sup> to November 3<sup>rd</sup> Umeå, Sweden hosted by NeIC – registration still open
