

# **Cameron's study on foil scattering and future plans**

## **Thursday, 30 June 2022**

**Discussion of next experiment with aluminium second scatterer: First Dual Scattering foil experiment analysis (16:00 - 16:30)**

**-Conveners: Cameron Robertson**

**Discussion of next experiment with aluminium second scatterer (16:30 - 17:00)**

**-Conveners: Cameron Robertson**

**Discussion of next experiment with aluminium second scatterer: Discussion of applications of flat beam and CLEAR (17:00 - 17:30)**

**-Conveners: Cameron Robertson**
