

# Lasers and Photonics...

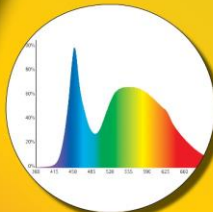

tunable fs lasers

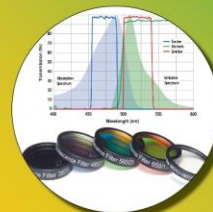

diode and DPSS lasers

light metrology

fluorescence and bandpass filters

advanced glove boxes

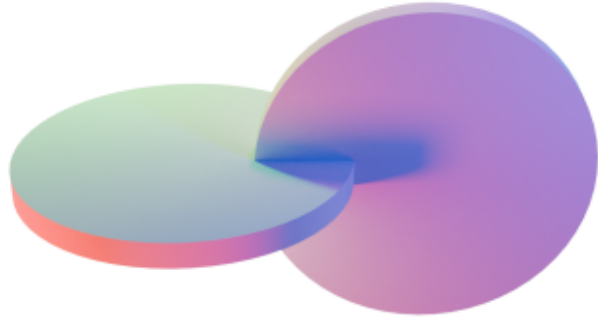

anti-vibration tables

micro and nano positioning

... for Researchers

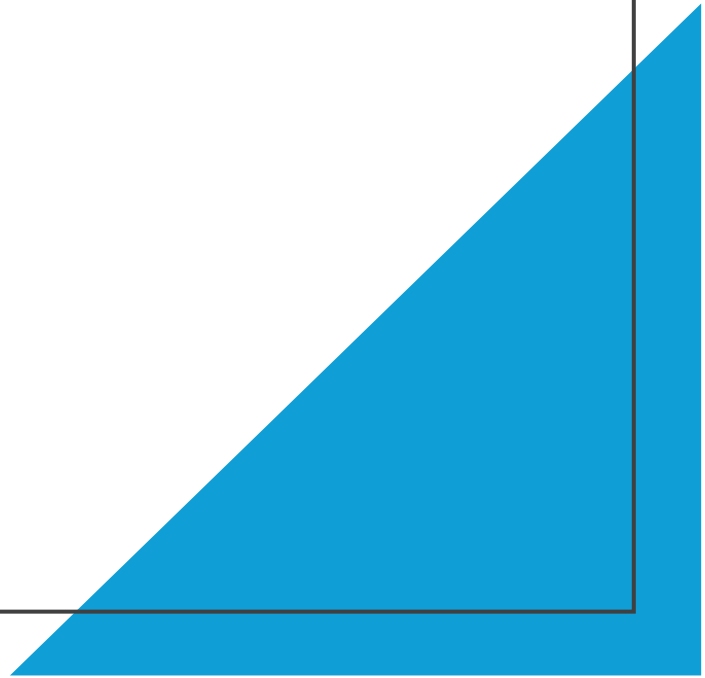

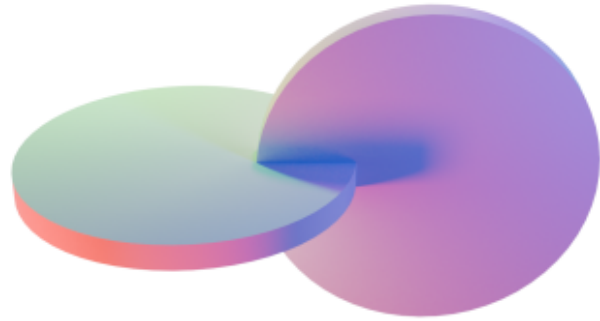

# GIREP-EPEC

Transforming physics learning via Research & Practice  
LEIDEN, 2025

# Reflection

The conference is coming to a close. Now is a good time to reflect.

## Postcards and stamps

Stamps got finished so we think it was a nice thought and we hope you have spread the word about GIREP-conferences!
