

Session Program

30 June 2025 to 4 July 2025

GIREP-EPEC

Transforming physics learning via Research & Practice
LEIDEN, 2025

GIREP-EPEC 2025 Conference, Leiden, The Netherlands

Parallel oral presentations EVAL

Leiden University, Gorlaeus building
Einsteinweg 55 2333 CC Leiden <https://www.universiteitleiden.nl/en/locations/gorlaeus-building#tab-1>

Thursday 3 July

15:30

Parallel oral presentations EVAL: Parallel oral presentations 425 EVAL

Session | **Location:** Gorlaeus building, BW0.32, Einsteinweg 55 2333 CC Leiden | **Convener:** Eugenio Tufino

15:30-15:50

Dissecting the interaction between alternative grading, mindset, and self-efficacy in introductory physics courses

Speaker

Prof. Christopher Fischer

15:50-16:10

Active learning and computational simulation of a bouncing ball

Speaker

Dr Rubén Sánchez Sánchez

16:10-16:30

Investigating the impact of digitally-enhanced laboratories on students' scientific abilities and experimental attitudes

Speakers

Eugenio Tufino, Eugenio Tufino

17:00
