

Dear Parents and Guardians

## Terms and Conditions for Childcare

### What parents/guardians need to prepare

- drink (Tea, water, etc.), between meal snack
- change of clothes, towel

<Infants>

- baby food, baby bottle (Number of units required), hot water, boiled water cooling, Powdered milk divided into single servings
  - diaper, wiping cloth for wiping one's bottom, Plastic bags for dirty clothes
- ※Please be sure to sign your belongings.
- ※If you bring your own meal and snacks, the sitter can give them to you in the nursery.

### precautions

- We cannot accept a child with a higher than normal body temperature, common cold symptoms (runny nose, cough, etc.), respiratory symptoms, or hyperemia or eczema that may be contagious to other children.
- If the temperature is 37.5 degrees Celsius or higher, we will contact the parents or guardians if any of the above symptoms are observed after the child has been placed in our care.
- If a fever has broken and 24 hours have not passed, please make a decision after careful consideration of your child's physical condition.
- We cannot accept a child if there is a relative living with a new type of coronavirus infection or a person who has had a concentrated contact with a new type of coronavirus infection.
- Medication must be administered by a parent or guardian. We will refrain from administering medication from the sitter.
- For safety reasons, please have the same person (parent/guardian) drop off and pick up the child.
- Please let us know at the reception desk about your physical condition and wishes for the day.

### Compensation

If a child is injured or his/her property is damaged during childcare, compensation will be provided within the scope of the compensation system subscribed to by Kuunea Co.
