

# 6th FCC Physics Workshop

## Monday 23 January 2023

### EPOL (17:00 - 19:10)

-Conveners: Alain Blondel

time	[id] title	presenter
17:00	[27] Status and prospects for the EPOL measurements	WILKINSON, Guy
17:30	[28] Theoretical precision of luminosity determination at Higgs factories	SKRZYPEK, Maciej SKRZYPEK, Maciej
17:55	[29] Status and progress on monochromatisation studies (remote)	FAUS-GOLFE, Angeles Dr FAUS-GOLFE, Angeles
18:20	[30] Role of timing measurements in EPOL studies	PEREZ, Emmanuel Francois
18:45	[31] Studies with dileptons: machine parameters and EW studies (remote)	WILSON, Graham
