

6th FCC Physics Workshop

Wednesday 25 January 2023

Joint Detector/Software (11:00 - 13:05)

-Conveners: Michele Selvaggi

time	[id] title	presenter
11:00	[84] Strategy and plans for detector software	FRANCOIS, Brieuc
11:25	[85] ARC: progress update and plans towards full simulation	TAT, Martin
11:50	[86] Modelling signal digitisation for test calorimeters: the CALICE experience (remote)	BOUDRY, Vincent
12:15	[87] Modelling signal digitisation for trackers	FARINELLI, Riccardo
12:40	[106] Performance of an ALICE ITS3-like vertex detector for FCC-ee (remote) and progress on the IDEA vertex detector implementation in full simulation	ILG, Armin FREITAG, Leila
