

# 6th FCC Physics Workshop

## Friday 27 January 2023

### Electroweak (11:10 - 12:50)

-Conveners: Alberto Lusiani

time	[id] title	presenter
11:10	[67] Measurement of the W mass: the way forward (remote)	AZZURRI, Paolo
11:35	[64] GRIFFIN: A C++ library for EW radiative corrections in fermion scattering and decay processes	CHEN, Lisong
12:00	[110] Synergies in top-beauty and a first look at b-tagging with exclusive decays	ROHRIG, Lars
12:25	[65] NNLO corrections to H+Z (remote)	SONG, Qian
