

Closing remarks

HERA AND THE LHC
3rd workshop on the implications of HERA for LHC physics

12-16 March 2007
DESY Hamburg

Parton density functions
Multijet final states and energy flow
Heavy quarks
Diffraction
Monte Carlo tools

Organising Committee:
G. Altarelli (CERN), J. Blümlein (DESY),
M. Bojge (NIKHEF), J. Butterworth (UCL),
A. De Roeck (CERN) (chair), K. Eggert (CERN),
E. Gallo (INFN), H. Jung (DESY) (chair),
M. Klein (DESY), M. Mangano (CERN),
A. Morsch (CERN), G. Polese (INFN),
O. Schneider (EPFL), C. Vallee (CPPM)

Advisory Committee:
J. Bartels (Hamburg), M. Delfa Negra (CERN),
J. Ellis (CERN), J. Engelen (CERN),
G. Gustafson (Lund), G. Ingelman (Uppsala),
P. Jenni (CERN), R. Klanner (DESY),
L. McLerran (BNL), T. Nakada (CERN),
D. Schlatter (CERN), F. Schrempp (DESY),
J. Schukraft (CERN), J. Stirling (Durham),
W.K. Tung (Michigan State), A. Wagner (DESY),
R. Yoshida (ANL)

Closing remarks

- All plenary sessions are web-casted and will be available next week !
- Proposal for next meeting at CERN
end of Feb/beginning of March 2008
- working group week Oct 2007
- Proceedings
after next meeting in 2008 at CERN

Thanks

- Many thanks for coming
- Many thanks to all plenary speakers
- Many thanks to all speakers in the parallel sessions
- Many thanks to all conveners
- Many thanks to those doing all the work
- Many thanks to CERN and DESY for support
- Many thanks to our local staff: R. Eisberg, S. Koenig, H. Becker, B. Liebaug, M. Mueller
- Many thanks to the H1 and HERA guides: A. Liptaj, J. Bracinik, M. Wessels, E. Wuensch, M. Bieler
- Many thanks to my co-chair Albert De Roeck
- Many, many thanks to Alla Grobowsky and S. Platz

Have a good and
safe trip back home

See you all soon again !
