

**Session Program**

**12-16 Mar 2007**

**3rd HERA and the LHC workshop**  
***Heavy quarks (charm and beauty)***

DESY Hamburg

# Thursday 15 March

09:00

## Heavy quarks (charm and beauty)

**Session** | **Location:** DESY Hamburg, Lab 1/Sem 5

**09:00–09:20 Semileptonic top pair decays with CMS**

**Speaker**

Cristoph Rosemann (DESY)

**09:30–09:50 Heavy quark and quarkonium production in the Regge limit of QCD**

**Speaker**

V. Saleev (Samara)

**09:50–10:10 Accurate prediction for b-jet cross sections**

**Speaker**

Giulia Zanderighi

**10:10–10:30 Heavy flavour cross sections at LHC from NLO + parton shower**

**Speaker**

R. Guernane

12:00
