## Follow-ups from earlier reports:

(i) 6/21: NET2 - job failures due to stage-in timeouts ("copy command timed out: TimeoutException: Timeout reached, timeout=4069 seconds')]:failed to transfer files using copytools=['rucio']"). <a href="https://ggus.eu/?mode=ticket\_info&ticket\_id=157808">https://ggus.eu/?mode=ticket\_info&ticket\_id=157808</a> in progress, <a href="https://atlas-adc-elisa.cern.ch/elisa/display/4893?logbook=ADC">https://atlas-adc-elisa.cern.ch/elisa/display/4893?logbook=ADC</a>.

Update 6/23: Saul reported that jobs failing at BU had the error "One of the PFNs does not match the Rucio expected PFN" followed by a truncated traceback. Not clear whether this was a site issue. Errors stopped, so ggus 157808 was closed.
