

## **Session Program**

**5-6 Sept 2022**

# **1st MONOLITH Workshop on silicon sensors for timing and their applications**

## ***Gain layers***

University of Geneva, Rue de l'École de Médecine 20, 1205 Genève, Seminar room AEM-074  
Rue de l'École de Médecine 20, 1205 Genève

# Monday 5 September

14:00

## Gain layers

**Session** |

**Location:** University of Geneva, Rue de l'École de Médecine 20, 1205 Genève, Seminar room AEM-074, Rue de l'École de Médecine 20, 1205 Genève

14:00-14:20

### Summary on IHP experience with gain layers

**Speaker**

Mr Matteo Elviretti

14:20-14:40

### Gain layer performance degradation after irradiation

**Speaker**

Michael Moll

14:40-15:10

### Discussion

15:10
