

Session Program

19-30 Sept 2022

2nd FCC Polarization Workshop

Morning discussions and work

CERN, 13/2-005

Monday 19 September

08:30

12:00

Morning discussions and work: 4/S-020 and 37/R-022

Session | **Location:** CERN, 4/S-020

Tuesday 20 September

08:30
12:00

Morning discussions and work: 4/S-020 and 37/R-022
Session | **Location:** CERN, 4/S-020

Wednesday 21 September

08:30

12:00

Morning discussions and work: 4/S-020 and 37/R-022

Session | **Location:** CERN, 4/S-020

Thursday 22 September

08:30

12:00

Morning discussions and work: 4/S-020 and 37/R-022

Session | **Location:** CERN, 4/S-020

Friday 23 September

08:30

12:00

Morning discussions and work: 4/S-020

Session | **Location:** CERN, 4/S-020

Monday 26 September

08:30

12:00

Morning discussions and work: 4/S-020 and 37/R-022

Session | **Location:** CERN, 4/S-020

Tuesday 27 September

08:30
12:00

Morning discussions and work: 4/S-020 and 37/R-022
Session | **Location:** CERN, 4/S-020

Wednesday 28 September

08:30

12:00

Morning discussions and work: 4/S-020 and 37/R-022

Session | **Location:** CERN, 4/S-020

Thursday 29 September

08:30

12:00

Morning discussions and work: 4/S-020

Session | **Location:** CERN, 4/S-020

Friday 30 September

08:30

12:00

Morning discussions and work: 4/S-020

Session | **Location:** CERN, 4/S-020
