

HI at the LHC: a first assessment

Friday, 4 March 2011

Discussion: Soft physics - TH Theory Conference Room (14:30 - 15:30)

time	[id] title	presenter
14:30	[5] Comments on elliptic flow	PAJARES, Carlos
14:45	[6] Comments on elliptic flow	HEINZ, Ulrich
15:00	[7] Saturation physics	

Discussion: Hard probes - TH Theory Conference Room (16:00 - 17:30)

time	[id] title	presenter
16:00	[8] Comments on jet quenching	TEIXEIRA DE ALMEIDA MILHANO, Guilherme
16:15	[9] Fluctuations and asymmetric jet events	SALAM, Gavin
16:30	[11] Interpretation of jet quenching pattern at LHC with PYQUEN model	LOKHTIN, Igor
16:45	[12] The interplay between jet energy loss and nuclear shadowing	LEVAI, Peter
17:00	[10] Comments on heavy quark energy loss	BERAUDO, Andrea
