

Session Program

5-7 Dec 2022

PulsRad 2022 - 1st Pulsed Radiation Measurement Workshop for Radiation Protection

->

CERN, 80/1-001 - Globe of Science and Innovation - 1st Floor

Monday 5 December

14:00

->

Session | **Location:** CERN, 80/1-001 - Globe of Science and Innovation - 1st Floor

14:00-14:15

Radiation Monitoring Requirements at CERN

Speaker

Markus Widorski

14:15-14:30

Radiation Protection Detectors

Speaker

Helmut Vincke

14:30-14:45

Example of Radiation Monitoring at the North Area

Speaker

Frederic Lionel Aberle

14:45-15:00

Environmental Monitoring at CERN

Speaker

Fabrice Malacrida

15:00-15:15

CROME at ESS

Speaker

Ali Day

15:15
