

PulsRad 2022 - 1st Pulsed Radiation Measurement Workshop for Radiation Protection

Tuesday 6 December 2022

Integrated Solution for Pulsed Radiation Measurement: Integrated Solution for Pulsed Radiation Measurement - 80/1-001
- Globe of Science and Innovation - 1st Floor (13:30 - 14:30)

| time | [id] title | presenter |
|-------|------------------------------------------------------------------------------------------------------|--------------------------------|
| 13:30 | [3] Integrated Solution for Pulsed Radiation Measurement :Longterm strategy of CERN - Lambda Project | BOUKABACHE, Hamza |
| 13:50 | [4] Integrated Solution for Pulsed Radiation Measurement: ACCURATE | KUNDUMATTATHIL MOHANAN, Sarath |
| 14:10 | [5] Integrated Solution for Pulsed Radiation Measurement : ACCURATE Characterization | LAFORGE, Clyde |
