

**Session Program**

**28 November 2022 to 2 December 2022**

**CPOD2022 - Workshop on Critical Point and  
Onset of Deconfinement**

***Critical Point - 4***

## Friday 2 December

16:00

### Critical Point - 4

Session | Convener: Marlene Nahrgang

16:00-16:20

#### Correlation of fluctuation with parametric slow mode: a signature of the QCD critical point?

**Speaker**

Md Hasanujjaman

16:20-16:40

#### Impact of mass renormalization on order parameter fluctuations near a phase transition

**Speaker**

Nadine Attieh

16:40-17:00

#### Adiabatic hydrodynamization in the bottom-up thermalization scenario

**Speaker**

Bruno Sebastian Scheiing Hitschfeld

17:00
