

PV 2023
CONFERENCE

PV2023: Adding value (to) and
preserving Scientific & Technical data

Logistics

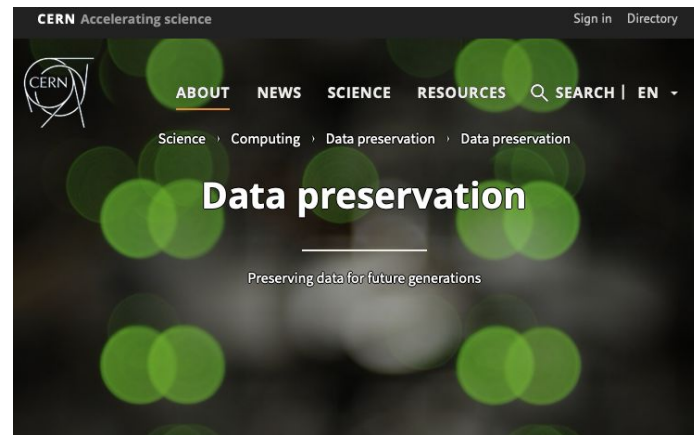

2 May 2023

Dirk Duellmann, CERN

Welcome to CERN!

- Also on behalf of the [local organising committee](#)
- Cath Noble, Ulrich Schwickerath, Jamie Shiers and myself
- Our day-jobs, our connection to data preservation
- A few hints to make your conference and stay at CERN more convenient

The Venue

Figure 1 Example of a CERN visitor card

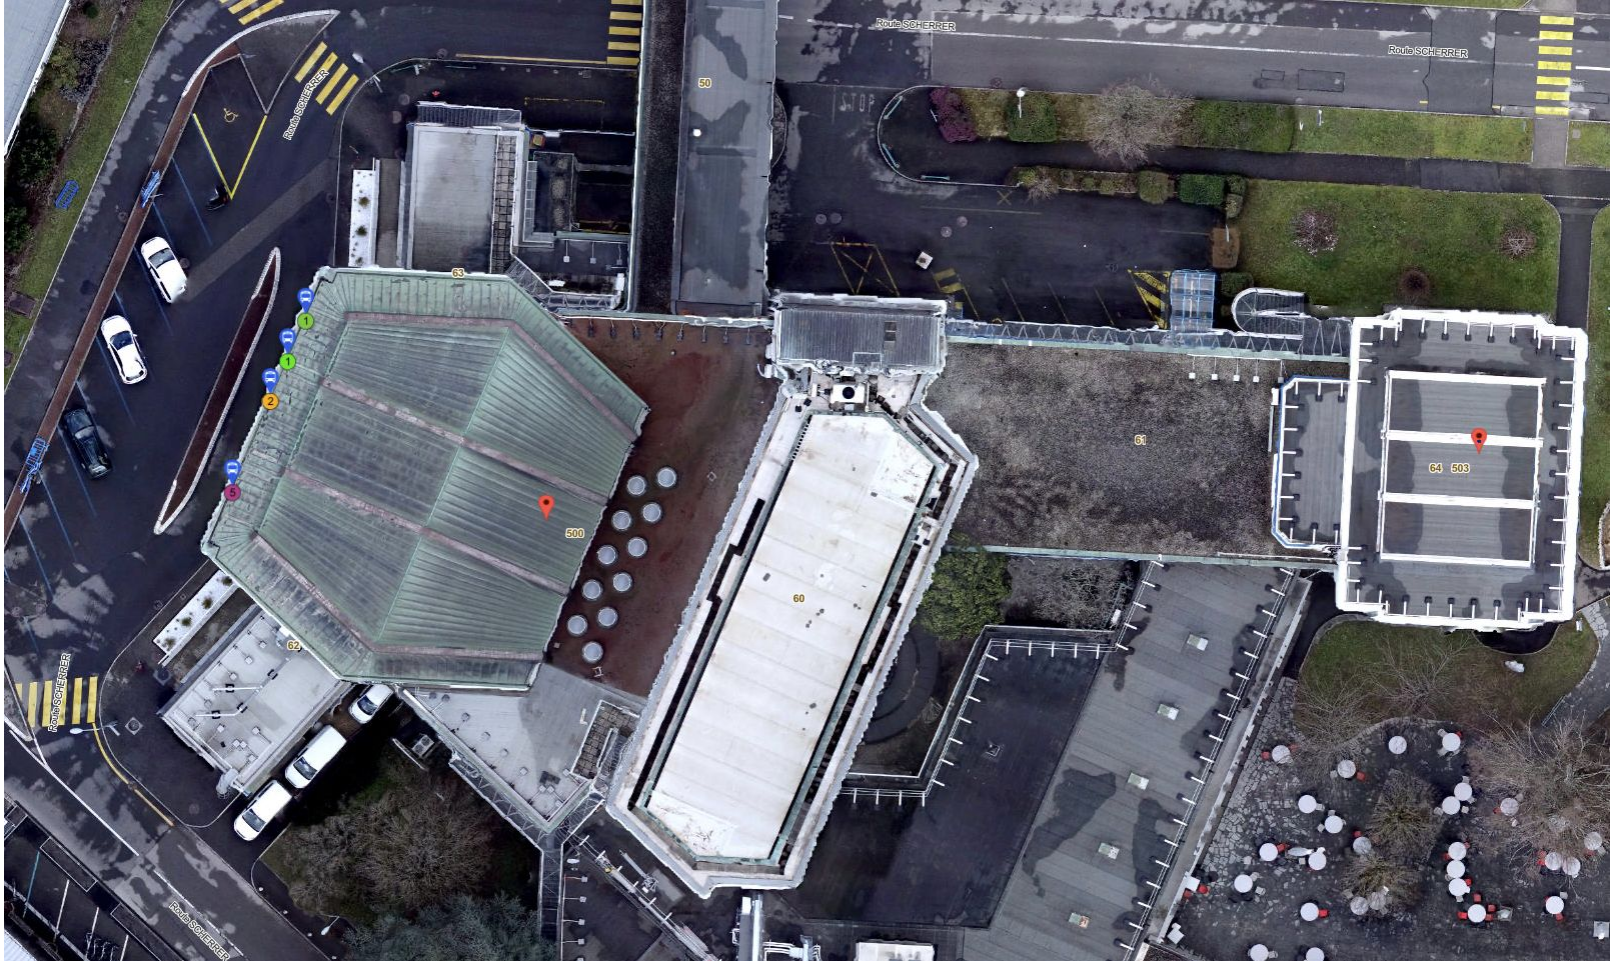

- A few general remarks
 - Please wear your Visitor Badges throughout your stay at CERN
 - Feel free to use the [CERN Visitor WIFI](#) (or [Eduroam](#), if you have access via your home institute)
- Rooms
 - Main Auditorium (all 3 days)
 - Council Chamber (only parallel session on Wed)
 - Break, catering and *posters* in the open space in between both
- BTW: CERN seems to have more dimensions than normal space
 - and apparently not have a systematic way to number its buildings
 - Use [CERN Maps](#) (eg via mobile application) to get around

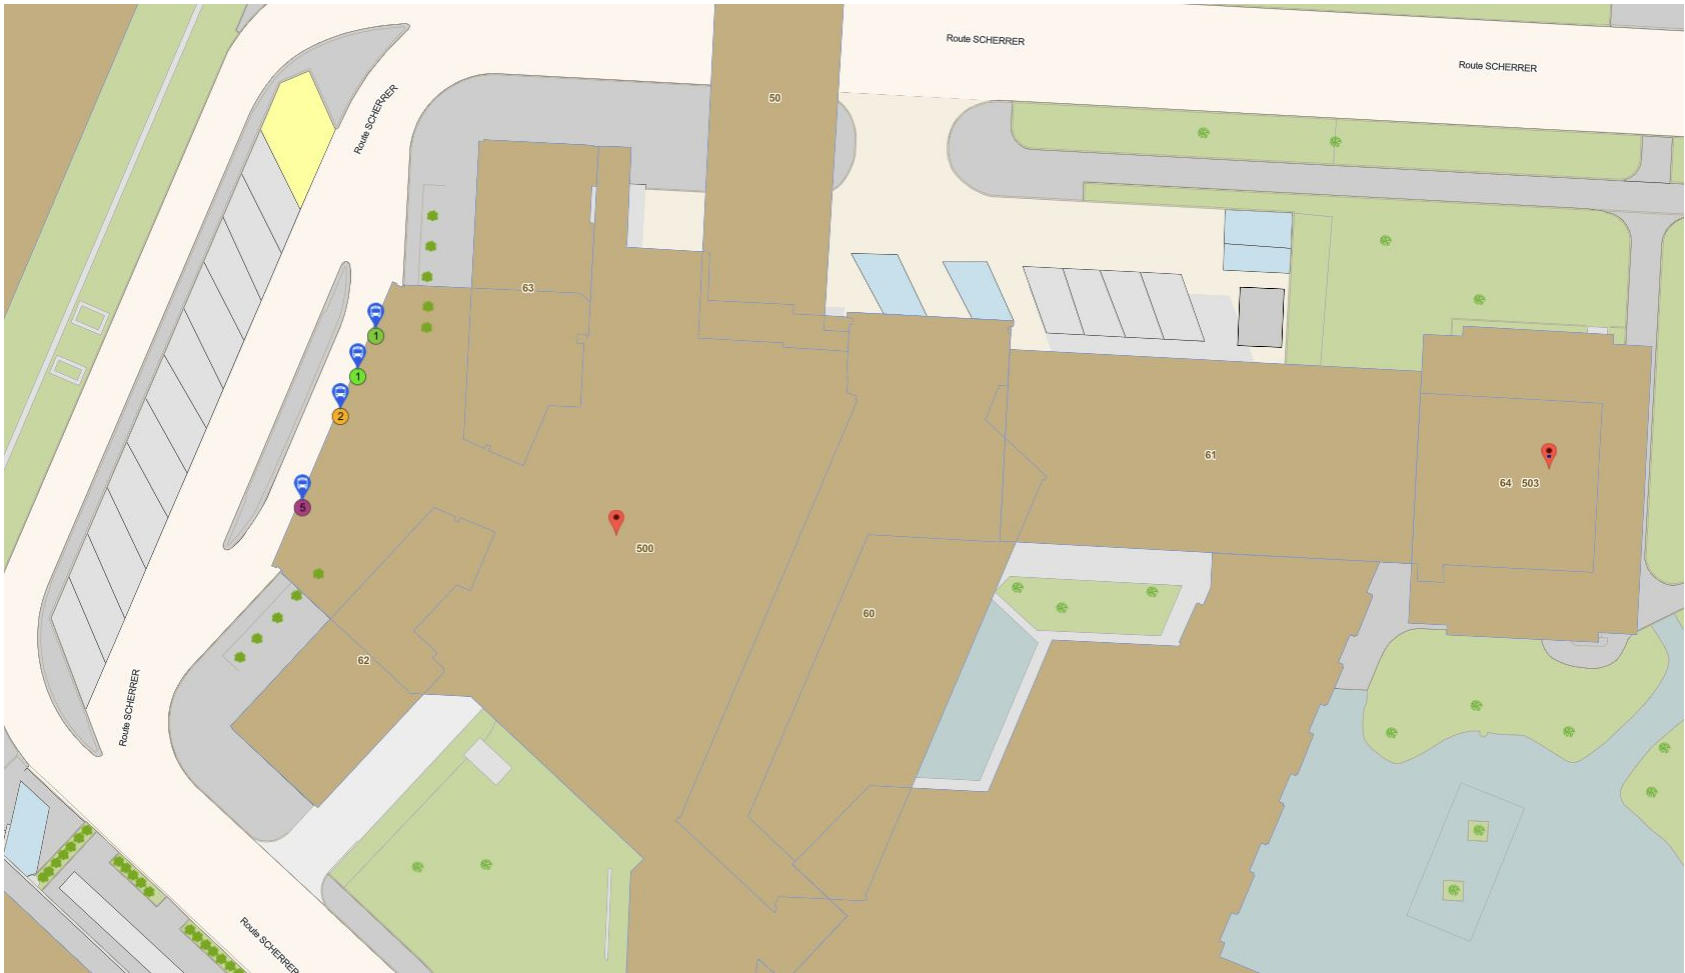

“Post-COVID” Hybrid Event

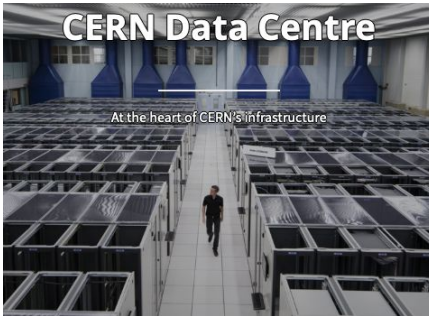

Conference Venue and Registration	
500/1-001 - Main Auditorium, CERN	13:00 - 13:30
Welcome	
500/1-001 - Main Auditorium, CERN	13:30 - 13:40
CERN: Introduction, mandate and activities	
500/1-001 - Main Auditorium, CERN	13:40 - 14:05
Logistic Information	
500/1-001 - Main Auditorium, CERN	14:05 - 14:15
[remote] Integral Archive: a new brand of science-oriented Science Archives at ESAC Science Data Centre	
Ms Monica Fernandez Barreiro	
Operational strategies for a continuously growing public-cloud archive	
500/1-001 - Main Auditorium, CERN	14:50 - 15:10
FAIR data and Net Zero: exploring the interactions	
500/1-001 - Main Auditorium, CERN	15:10 - 15:30
Coffee break / Poster Session	

- Connection details have been distributed via email to remote attendees
- Two chairs per session (see [indico schedule](#))
one of which will be managing ZOOM contribution and collect & forward questions.
- **Tight schedule** - help to avoid delays by
 - checking the schedule - minor changes may still occur
 - making your presence known to your session chairs - ahead of schedule
- Minute Madness
 - Even tighter schedule - please **follow the instructions send out by Jenny**
 - I have not attended one of these PV traditions before...
...but the title lets me expect something unexpected

The Tours

- Happy to provide guided lunch-time tours to two interesting CERN locations
 - you have received which one you are on
 - please let us ([pv2023-loc](#)) know in case you can not attend
- Please follow the [safety information](#) distributed by email
 - including: no luggage, high-heels, sandals, smoking
 - meet your guides **after the session end** close to the **top of the stairs**

The Tapes

- Retired media is a popular item in our gift shop
- Our storage team kindly prepared a set for the PV2023 attendees
- Some may be eager to check what may be on it:
 - CERN open data
- You forgot to ask for your tape?
 - try the [CERN Open Data Portal](#)

The Catering

- We have included in your registration fee
 - two Sandwich Lunches (on Wed & Thu)
 - two Networking Cocktails (Today & Wed)
 - Coffee+ breaks (see schedule)
- In case of additional needs and for people without full registration
 - the main [CERN restaurant](#) and cafeteria is located on the ground floor

Any Other Business?

- In case of other questions / problems / comments
 - Please do not hesitate to contact us in person or by email at <mailto:PV2023-loc@cern.ch>

Wishing you a fruitful and pleasant PV2023 @ CERN!
