#HST2023

Programme Website

The screenshot shows the Indico event page for the International High School Teacher Programme 2023. The header features a globe made of various national flags and the event title. Below the header, the dates (2-15 Jul 2023) and location (CERN, Europe/Zurich timezone) are displayed. A search bar is present on the right. The main content area includes a left sidebar with navigation options: Overview, Timetable, and Administrative Support. The Administrative Support section shows an email icon and the address teacher.programmes@c... The main text describes the program, stating it will take place from 2-15 July 2023 and involves lectures, on-site visits, exhibitions, and hands-on workshops. It also provides contact information for the Teacher Programmes Manager, Jeff Wiener, and emergency contact for the CERN fire brigade. A clock icon indicates the start and end times (2 Jul 2023, 17:00 to 15 Jul 2023, 08:00) and the location (CERN). A note states there are no materials yet. An information icon at the bottom provides details about the scientific programme and agenda, mentioning that precise information concerning arrival and participation confirmation will be sent via email.
