P. Q. Hung

UNIVERSITY OF VIRGINIA

PASCOS 2023, UC IRVINE  
June 30, 2023

# Quy Nhon

## The venue

## The building

## The building at night

## The road to the beach

## The beach

## The Auditorium: 350

## The Conference room: 150

3 seminar rooms: ~ 40

The conference room + 3 seminar rooms will be used for parallel sessions

Fun at the end of the day at ~ 16:30pm

## Fun at the end of the day:Coconut tree climbing (Local)

## How do I get there?

There are two main international airports in Vietnam : Hanoi (Noi Bai airport : HAN) and Ho Chi Minh (Tan Son Nhat airport : SGN). As there are more flights from Ho Chi Minh City to Quy Nhon, it is more convenient to fly from foreign countries to Ho Chi Minh City than to Hanoi.

## Do I need a visa?

All participants are required to have a visa to visit Vietnam, except for few exemptions listed below.

Vietnam Visa exemption is granted to holders of a passport from:

Thailand, Malaysia, Singapore, Indonesia, Cambodia and Laos for visits of 30 days at the maximum. Philippines for visits of 21 days at the maximum. Japan, South Korea, Sweden, Norway, Denmark, Russia, Finland, France, Germany, Italy, Spain, United Kingdom for visits of 15 days at the maximum. This is valid until March 14, 2025. To obtain a visa you may apply for a conference visa through the Internet: e-Visa 80 countries are eligible. Please check it carefully by consulting the official list. while filling up the form, on the item "purpose of entry" you should select "summit, conference" the e-visa is generally obtained in 4 working days and valid for 30 days. Beyond this delay, you should check your application status by following the instructions indicated on the e-visa application webpage. your passport should be valid more than 60 days after date of entry in Vietnam the e-visa cannot be renewed nor extended

## Hotels?

For 2024, we can offer two possibilities of accommodation in a four star hotel : the [Seagull Hotel](#) and the [ANYA hotel](#)

All sessions will be held in the ICISE conference center, 10 minutes by taxi (or one hour walk) away from the hotels. Daily bus transfer (morning and afternoon) will be provided by the conference organization. Participants will be expected to arrive on Sunday July 7th, and will leave on Saturday August 13th in the afternoon.

Breakfast will be served in the hotels for all participants. Lunch and dinner will be served at ICISE (with few exceptions at a downtown restaurant).

Due to the unexpected high inflation, the announced (2022) cost of accommodation needs to be updated.

For Seagull Hotel : 489 An Duong Vuong, Quy Nhon, 591300, Vietnam  
The cost per person (full board for 6 days) will amount to 360 USD for a double or sharing room and 525 USD for a single room. For ANYA Hotel : Bloc DV3, Nguyen Trung Tin Street, Quy Nhon, Vietnam  
The cost per person (full board for 6 days) will amount to 375 USD for a double or sharing room and 555 USD for a single room. Payment for board and lodging should be done online with Vietnamese currency VND on this site. The exchange rate is fixed to be 1 USD = 24 000 VND.

## Registration

The deadline for registration and hotel reservation is June 7, 2024. The conference fee will be:

Date of payment

Until May 7 , 2024

## Financial Support

Some limited accommodation funds may be available for young scientists. The application form for financial support should be filled in (including a short resume) and submitted. A letter of recommendation should be sent to:

J. Tran Thanh Van (jtrantv@gmail.com)  
and copy to rencontres.vietnam@gmail.com

## Rough sketch of Program

Topics to be covered: Neutrino physics, LHC Physics and theoretical status, Dark Matter and Dark Energy, Precision measurements and non-accelerator probes of new physics, Inflation and alternatives, String methods and phenomenology, Gravitational waves,...

There are four rooms to hold parallel sessions. We strongly encourage the participation of young people!

SEE YOU ALL IN QUY NHON, VIETNAM NEXT YEAR!!!
