

Bulletin 1

CCE workshop “Cosmology and Particles”, 12-14 Sep 2022, Chillán

Dear Friends,

Following up on the invitation email, this is to provide some more details on the workshop.

The event is fully presencial (with the exception of one talk of a colleague abroad) and we are committed to provide all necessary sanitary precautions. It takes place at UBB’s campus Fernando May (Av. Andrés Bello 720) in Chillán.

The workshop’s website <https://indico.cern.ch/e/cosmopart> will be updated regularly. For those who plan to attend but still haven’t registered on the website, please do so at your earliest convenience.

As we wish to initiate discussions and get to know each other’s work, all talks are plenary and brief (20min + 5min for questions). Please send a tentative title of your presentation to yschroder@ubiobio.cl.

We ask all participants with current projects to contribute a registration fee of \$100.000 CLP, to be paid in cash on the first day of the workshop.

For accommodation, we recommend the hotels “Las Terrazas”, “Quinchamali” and “Gran Hotel Isabel Riquelme” in the center of Chillán. We will organize a shuttle bus from the center to the campus on each day.

We can pay for your hotel room, if you need financial support. In that case, please send your booking information (name, RUT or passport nr, dates of stay) to Maria Elena (marce@ubiobio.cl; Subject: CCE workshop accommodation) as soon as possible.

More detailed information will be sent in the next bulletin. If you have questions, please don’t hesitate to contact any of the local organizers listed below.

Looking forward to seeing you in person in Chillán,

The CCE workshop local organizing team (contact: [\[email\]@ubiobio.cl](mailto:[email]@ubiobio.cl))

Antonella Cid [acidm]
Markos Maniatis [mmaniatis]
Marat Reyes [creyes]
