Publication of material contributed to PIC 2023 :

1) The proceedings of PIC2023 will be published in IJMPCS (World Scientific) after a peer-review refereeing procedure with criteria relevant for conference proceedings.

2) Selected papers will be published in a special issue in the International Journal of Modern Physics A (IJMPA) and the International Journal of Modern Physics E (IJMPE) after a peer-review refereeing procedure with criteria relevant for journal publications.

The IJMPA and IJMPE journals are both indexed in Web Of Science (WOS) with Quartils Q2 and Q3 (respectively).

All contributions to the conference, oral as well as poster presentations can be submitted in order to be considered for publication in the special issue and in the proceedings.

Papers submitted to the special issue that are not selected for the special issue, will be considered for the proceedings volume.

The submission procedure will be announced later. If you have any questions please contact the organisers via the conference email.

**We are discussing possibility to publish (eg reviews) also in
Particles, MDPI Publishing company, Basel, CH**

42nd International Symposium on Physics in Collision (PIC 2023)

10-13 October 2023, Universidad de Tarapaca, Arica,

Proceedings

**Deadline for submission of papers:
30 January 2024**

Guidlines (approx.):

Up to 25 pages for plenary session talks.

**Up to 15 pages for parallel session talks if a review
up to 10 pages for parallel session talks if not a review**

42nd International Symposium on Physics in Collision (PIC 2023)

10-13 October 2023, Universidad de Tarapacá, Arica,

Excursion of Saturday 14 October

Pick up at 7:30 am in Hotels Antay, Novotel and Hotel Le Prince

Please wait outside main door of your hotel, look your telephone message and emails in case we need to communicate with you

Return at 19:00

Take with you: walking shoes, warm jacket, hat, sunglasses, sunscreen, your passport cash money (at least 60.000 CLP)
