## The NSERC CREATE Program in Quantum Computing - stories, successes, and challenges from our first three years

*Tuesday 20 June 2023 16:15 (20 minutes)*

This unique graduate scholarship training program is hosted by the QMI and co-delivered by faculty at three BC universities (SFU, UBC and UVic) in collaboration with Quantum Computing industry partners. It integrates quantum hardware and software courses, hands-on workshops, professional development and a paid industrial internship.
