

2023 CAP Congress / Congrès de l'ACP 2023

Tuesday 20 June 2023

(DCMMP) T1-7 Quantum Materials Symposium | Symposium sur les matériaux quantiques (DPMCM) - UNB Tilley Hall
(08:30 - 10:15)

-Conveners: Ion Garate

time	[id] title	presenter
08:30	[3573] (I) The Surprising role of Phonons in the Extreme Mobility of Topological Semimetals	Prof. BURCH, Kenneth
09:00	[3571] (I) Machine learning augmented experiments for topological and quantum materials research	LI, Mingda
09:30	[3656] (I) Exotic phases of spin-3/2 fermions in Rarita-Schwinger-Weyl semimetals	Prof. BOETTCHER, Igor
10:00	[3727] Symmetry and topology of hyperbolic Haldane models	CHEN, Anffany
