

ALEGRO2023 Workshop

Contribution ID: 15

Type: **not specified**

High-rep.-rate laser drivers and plasma sources

Thursday 23 March 2023 14:00 (30 minutes)

Presenter: Dr CORNER, Laura (Cockcroft Institute, University of Liverpool)

Session Classification: Outstanding challenges: positron acceleration in plasma, emittance preservation at a level relevant for collider applications, competitive efficiency, repetition rate/average power
