

## ALEGRO2023 Workshop

Contribution ID: 15

Type: **not specified**

# High-rep.-rate laser drivers and plasma sources

*Thursday 23 March 2023 14:00 (30 minutes)*

**Presenter:** Dr CORNER, Laura (Cockcroft Institute, University of Liverpool)

**Session Classification:** Outstanding challenges: positron acceleration in plasma, emittance preservation at a level relevant for collider applications, competitive efficiency, repetition rate/average power
