

## ALEGRO2023 Workshop

Contribution ID: 20

Type: **not specified**

# Hybrid Asymmetric Linear Higgs Factory (HALHF)

*Thursday 23 March 2023 17:00 (30 minutes)*

**Presenter:** FOSTER, Brian (University of Oxford (GB))

**Session Classification:** Outstanding challenges: positron acceleration in plasma, emittance preservation at a level relevant for collider applications, competitive efficiency, repetition rate/average power
