Sattelite meeting: iDMEu Town Hall at TAUP (Vienna) and online

Friday 1 September 2023 14:00 (3 hours)

This is the first town hall meeting of the Initiative for Dark Matter in Europe and beyond (iDMEu), a JENA (Joint ECFA-NuPECC-APPEC) activity to bring together researchers from different communities searching for dark matter.

It takes place on the last day of the XVIII International Conference on Topics in Astoparticle and Underground Physics (TAUP2023), at the University of Vienna and online on Zoom.
