## Session 1: WG2 reports

Session | Location: CERN, Main auditorium

09:00–09:30 **Charm physics**

**Speaker**

David Asner

09:30–10:00 **Weak decays and QCD**

**Speaker**

Gerhard Buchalla

10:00–10:45 **Rare B decays**

**Speaker**

Jeff Berryhill

10:45–11:15 **Coffee break**

11:15–12:00 **B->s,d transitions, mixing, and UT angles**

**Speaker**

Marco Ciuchini

12:00–12:30 **New physics scenarios: flavour benchmarks**

**Speaker**

Gino Isidori

12:30–13:00 **New physics scenarios: tools**

**Speaker**

Sven Heinemeyer
