# Periodic report P1

18 months into the project

- first official report to EU office
  - based on - an updated version of - internal Y1 report written earlier this year
- should have **~one page per task on progress towards goals, milestones and deliverables**
- **important: we need all relevant publications and talks for WP12 here**

Actions	Deadline
Coordination office to send the reporting templates to the WP coordinators (based on the Y1 reports)	30 September 2022
Task leaders to provide P1 Tasks reports to the WP leaders	14 October 2022
WP leaders to send P1 reports to the Coordination Office	24 October 2022
Review by MGT Team and revisions of WP reports if needed	4 November 2022
Consolidated P1 S&T report send to GB for approval	14 November 2022
Submission of P1 S&T report on EC portal	30 November 2022

**Periodic reports = official reports to the EC**  
 → Must be sent to the EC at the end of each reporting period (+2 months for preparation)

**Content**

1. Publishable summary
2. Work performed by the beneficiaries in the WP during the period, progress towards objectives, milestones and deliverables and the main results achieved so far
3. Progress beyond the state of the art and expected potential impact
4. Overview on the use of resources during the reporting period (per WP and beneficiary)
5. Deviations from Annex 1 and Annex 2
6. Dissemination and exploitation of results (scientific publications, dissemination and communication activities)
7. Critical implementation risks and mitigation actions
8. Gender statistics
