

# Parton Showers & Resummation

## Welcome

6 - 8 June 2023

# Initial info:

- Check-in just outside, grab your badge and bag at first coffee break if you haven't yet done so!
- Eduroam Wi-Fi is available across all campus. Most of the times it just works
- If you have issues with Wi-Fi connection we have guest accounts available, please fill the paper form and ask the organizers for a temporary ID/password.

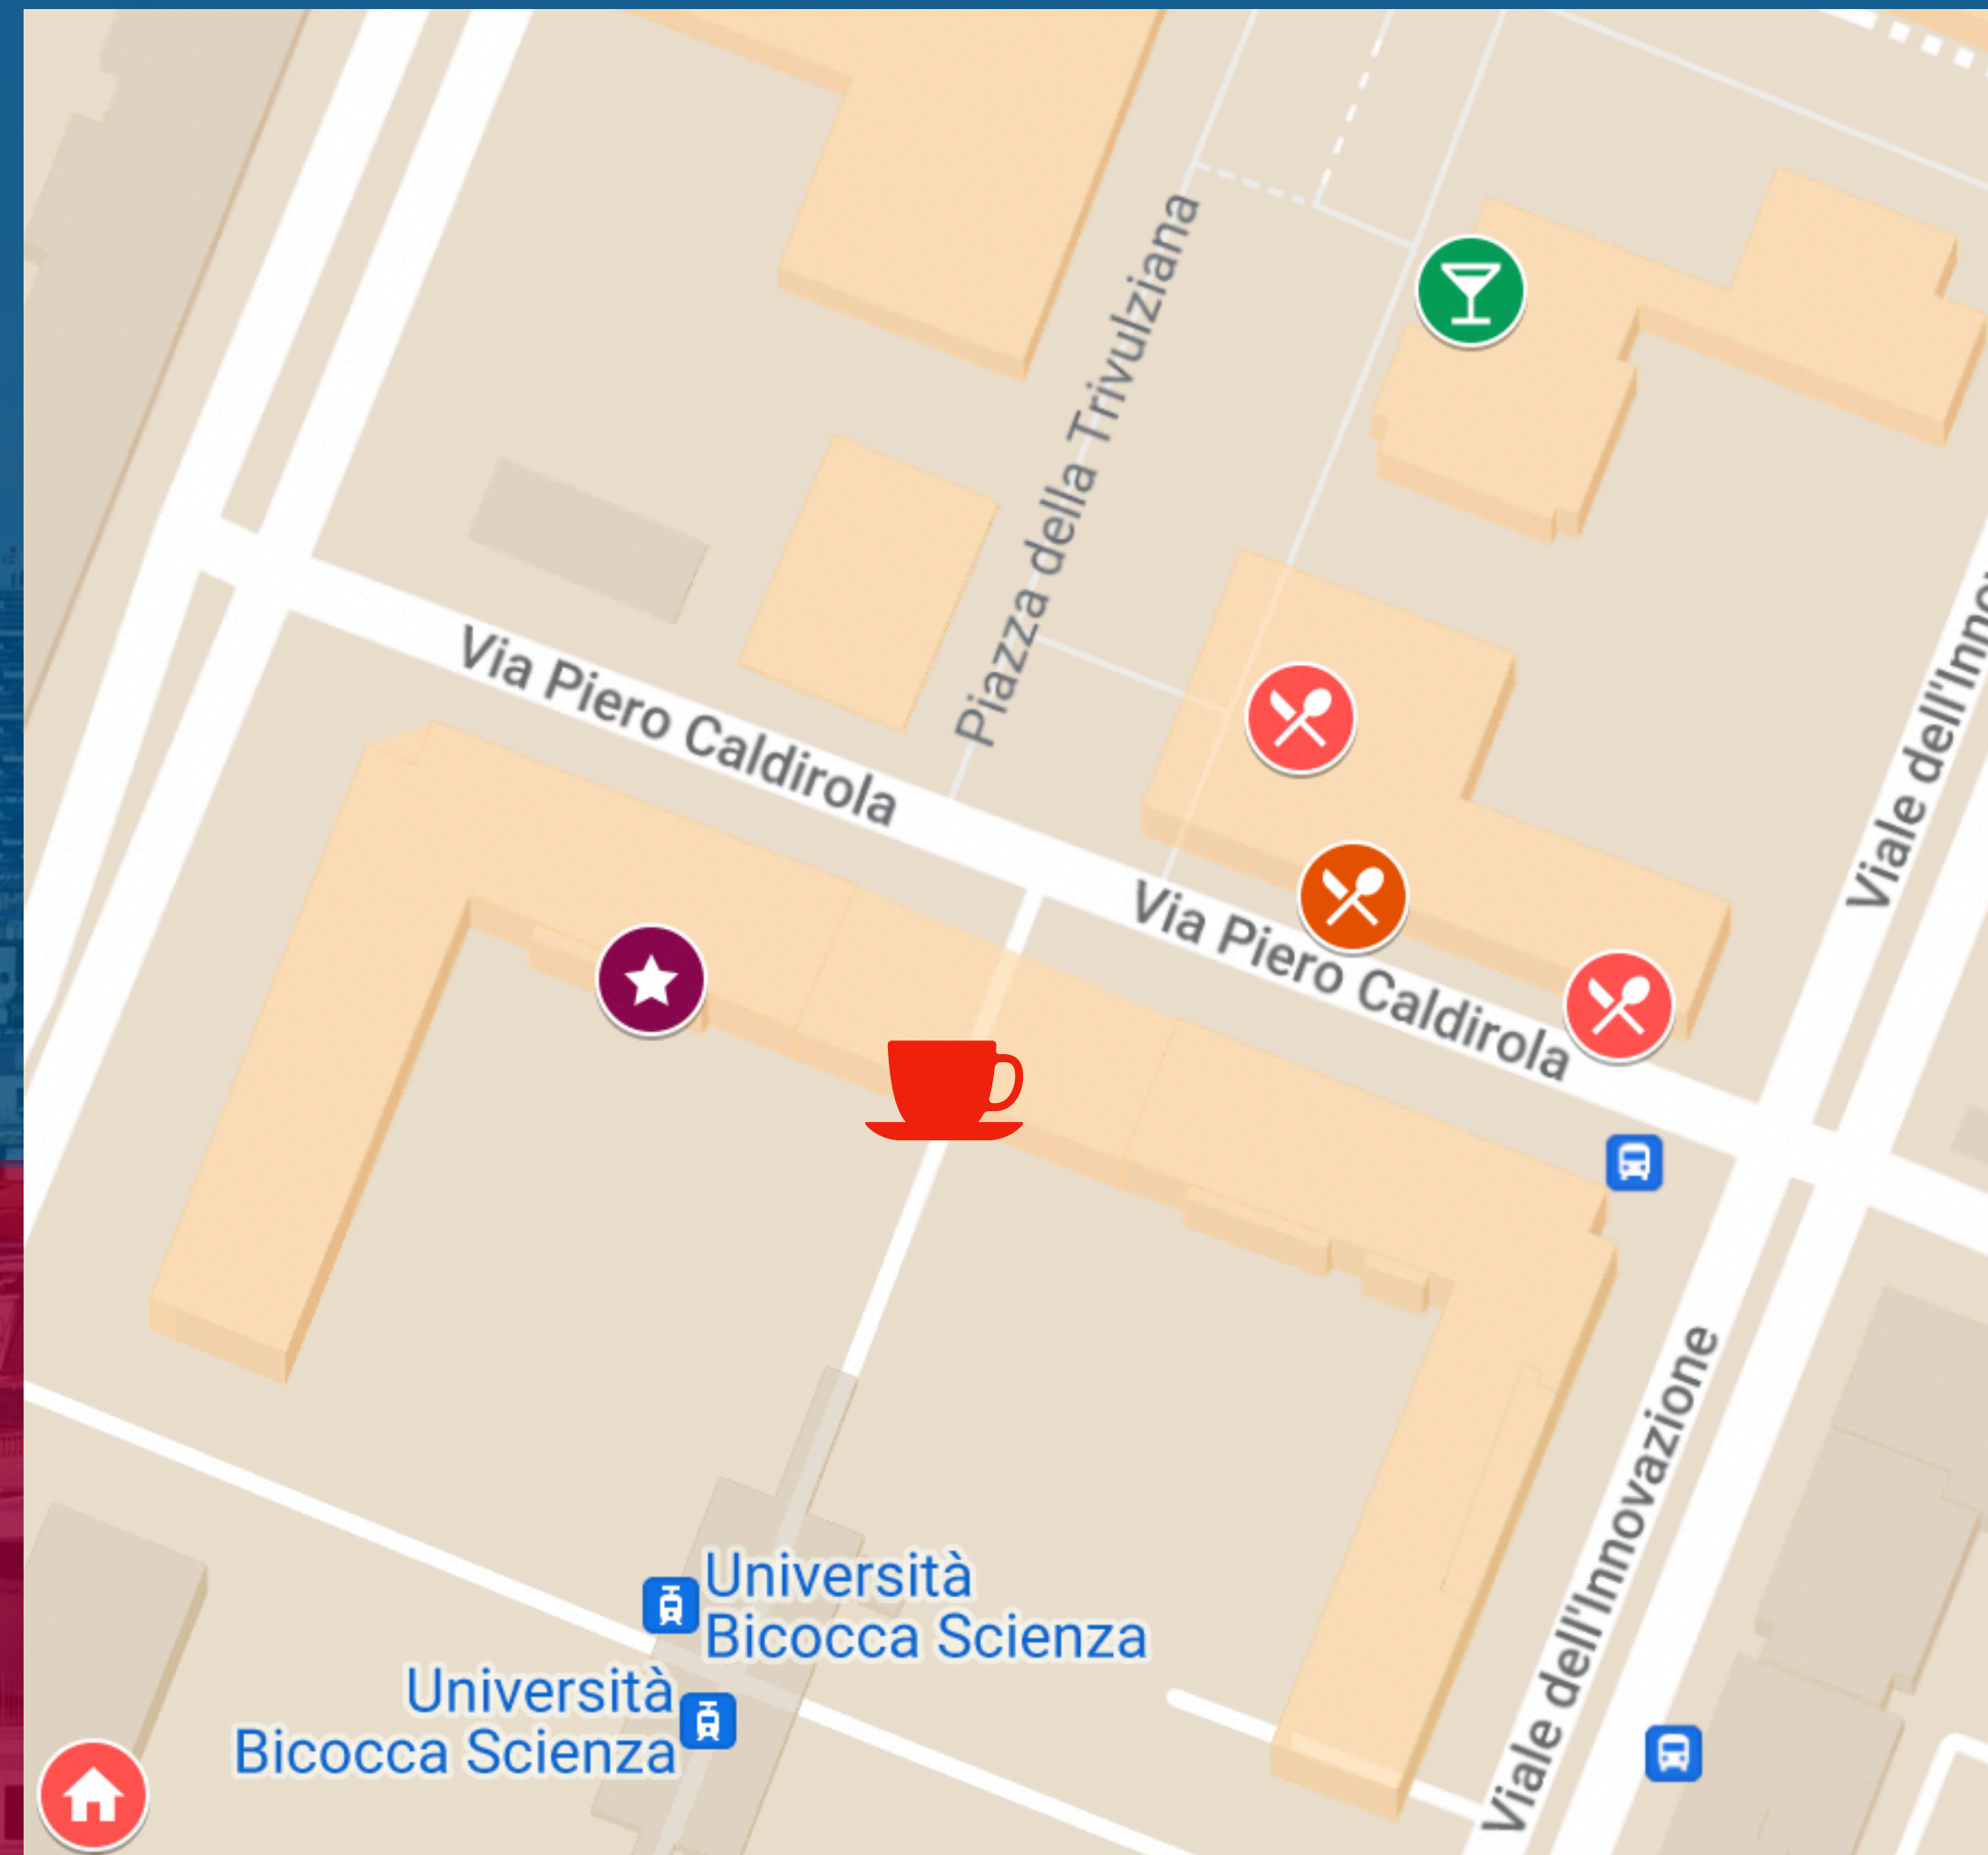

# Talks:

- Talks: 25' + 5' questions
- Please upload at least before the last coffee break before your talk
- If you have issues with uploading contact the organisers as soon as possible!

# Coffee Breaks:

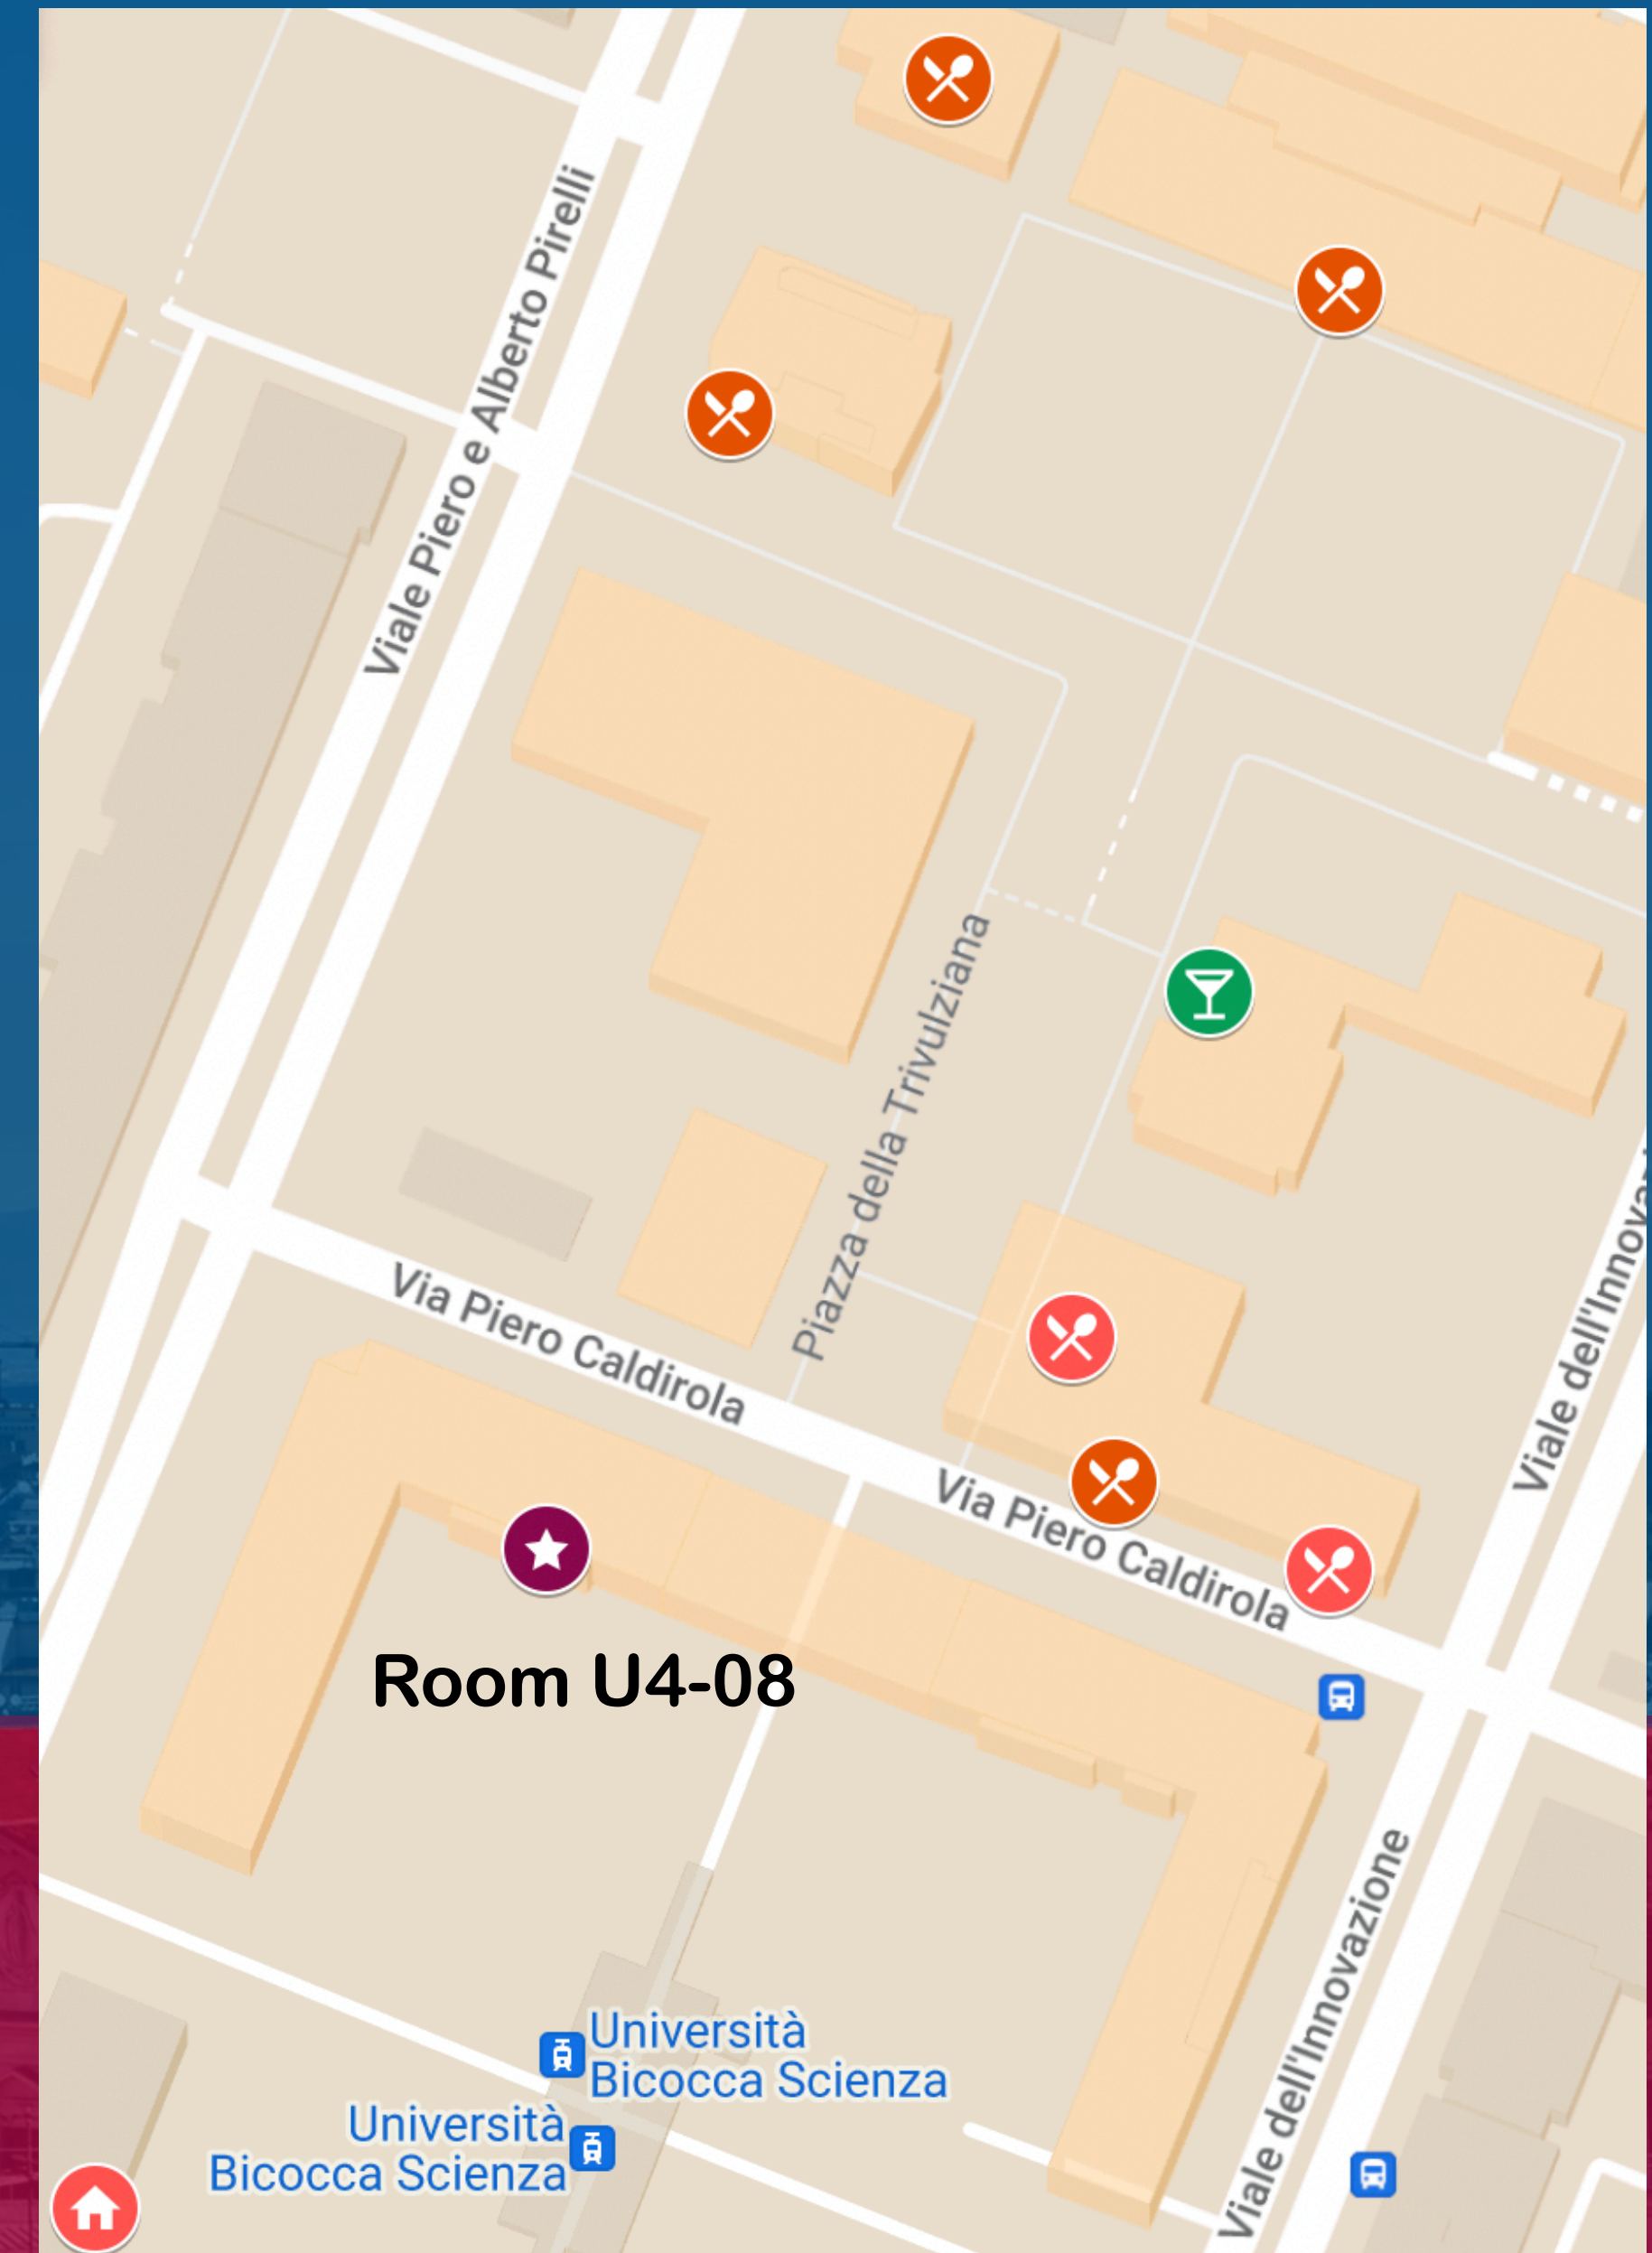

- Coffee breaks are located in the main corridor just outside the room.
- Take a left when you exit and reach the main corridor

# Lunches:

- Your free to lunch whichever way you prefer, and the campus offers many grab&go options (see map online, follow Google suggestions or just ask the organisers)

# Lunch reservation:

- If you prefer eating at a restaurant please fill the relative google form on indico under Venue, before the morning coffe break

- Each day we will book one or more tables for the number of reservations present at the end of the coffee break

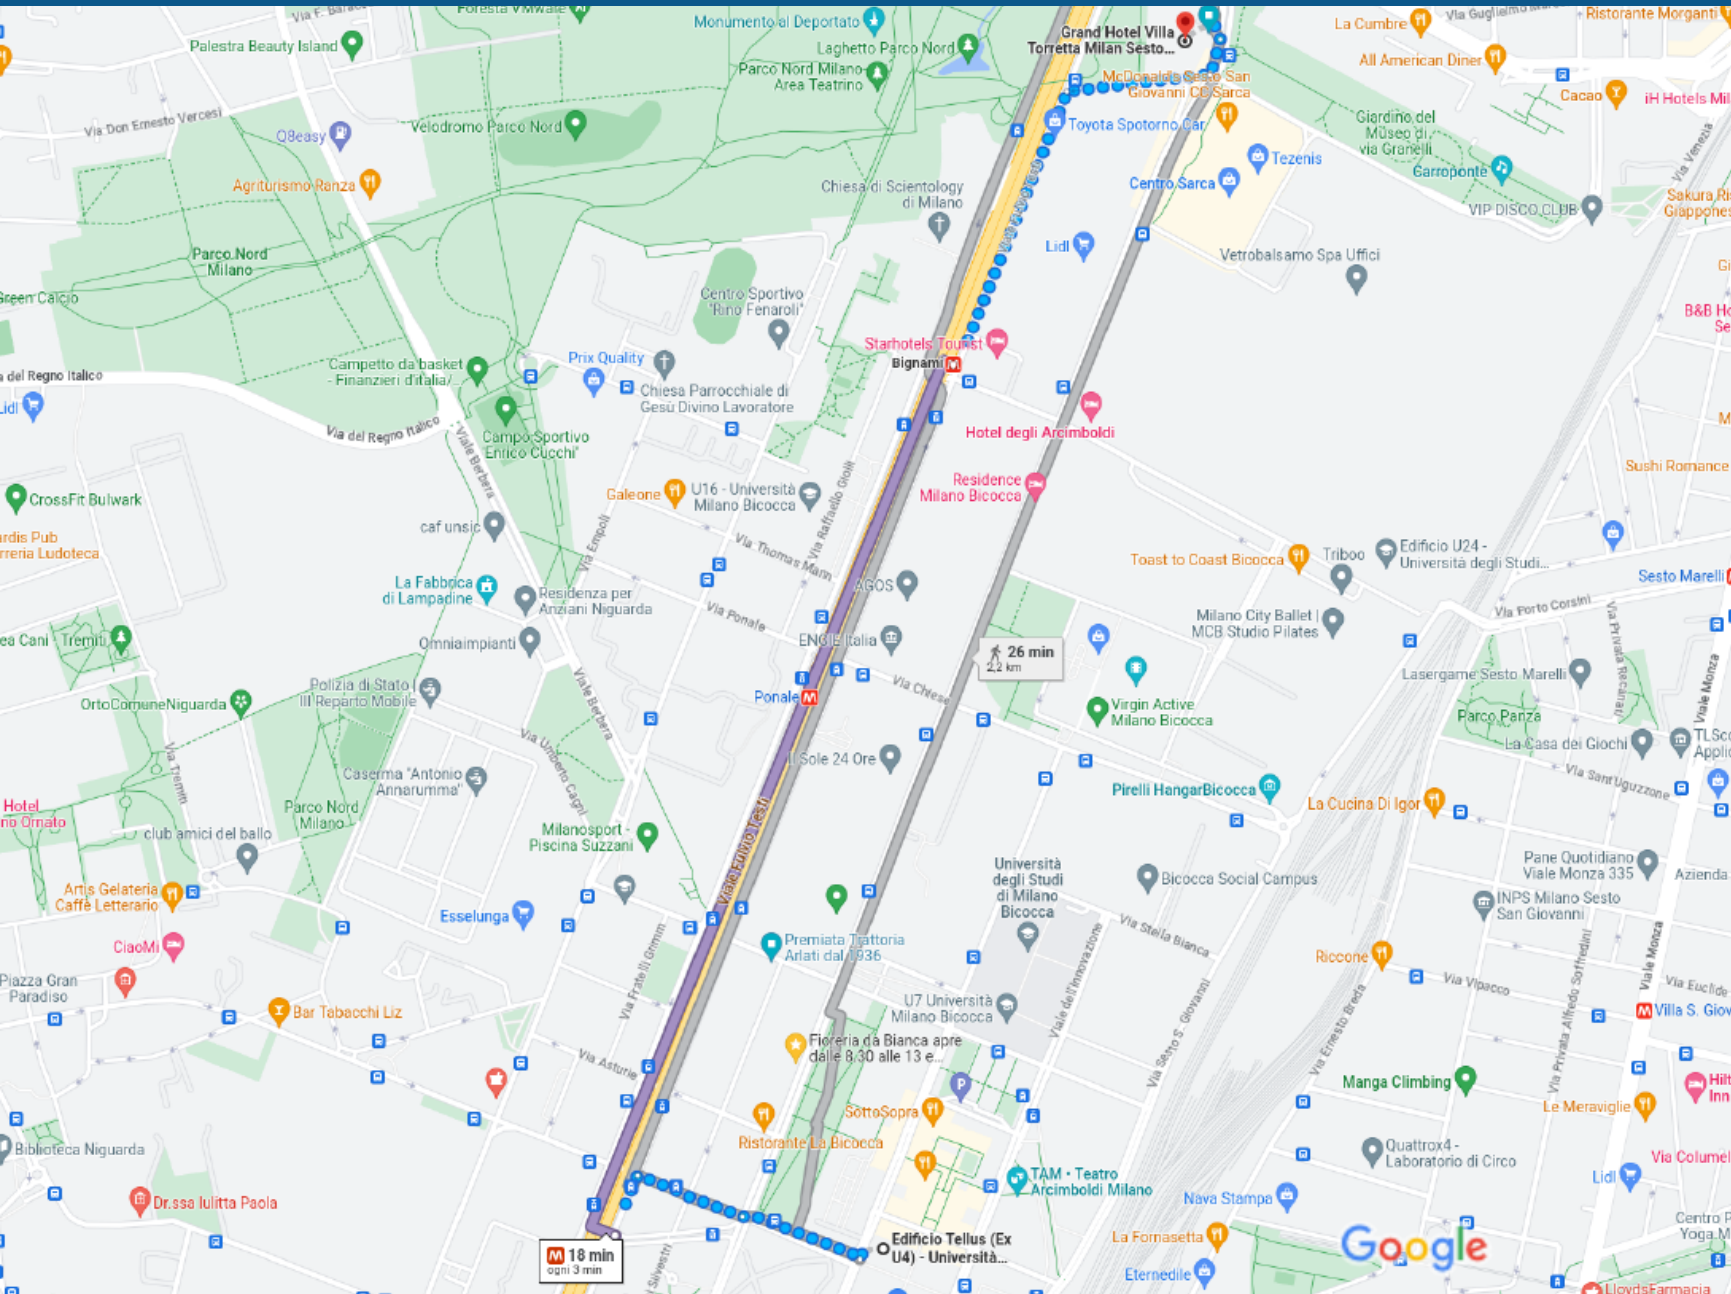

# Dinner, Aperitivo and Drinks:

- If you need suggestions for dinner and/or for where to enjoy an aperitivo or have a few drinks ask the organizers.
- Few options available near campus, for more popular areas check-out the Navigli near the city center. Also Brera and Isola neighborhood are quite popular for dinners and night-life
- The weather will be reasonably warm, so enjoy your time outside!

# Conference Dinner:

- We'll have our conference dinner on Wed at Villa Torretta, where we will meet at 19:30 (see conference dinner tab on indico for more details).

- The restaurant is located 2 metro stops away from Bicocca on M5 line, and the majority of us will be leaving shortly after the last talk from here.

- To pay for the metro ticket it suffices to scan your debit card at entrance and exit of some metro entrance. You can see them as they show clearly the “contactless” symbol.

# Enjoy the workshop !
