

# Portorož 2023: Particle Physics from Early Universe to Future Colliders

## Thursday, 13 April 2023

Early Universe, BSM (17:36 - 17:58)

time	[id] title	presenter
17:36	[23] nuEWBG: The scalar potential strikes back	ROSAURO-ALCARAZ, Salvador

# Friday, 14 April 2023

## Early Universe, BSM (10:48 - 11:54)

time	[id] title	presenter
10:48	[2] Dark Matter Dilution Mechanisms and Large Scale Structure	Prof. ZHANG, Yue
11:10	[27] "On the origin of cosmic antimatter	BEREZHIANI, Zurab
11:32	[7] Leptogenesis in the minimal flipped SU(5) unification	MALINSKY, Michal
