## **ESR (self-)assembly and representation (coffee will be delivered to the room) [Schuster Conference Room A, 2nd floor]**

*Tuesday 22 November 2022 10:00 (1 hour)*

In this session, the ESRs will:

- choose a member of the ESR cohort to vote in the Network Assembly representing the ESRs, and a list of tasks for their mandate and term
- think of suggestions on how to communicate effectively among themselves & with the group of supervisors who work on similar topics
- discuss procedures for shared writing and code development, as these will come useful in the scientific report writing course and first whitepaper. (Suggestions: consider GitHub and Overleaf)

**Session Classification:** ESR and PI days
