

**Session Program**

**29 November 2022**

**12th LHC students poster session**

***Jets and QCD studies***

# Tuesday 29 November

10:01

## Jets and QCD studies

Session | Location:

**10:01-10:02 Enlightenment era for the three-body interactions in ALICE****Speaker**

Laura Šerkšnytė

**10:02-10:03 Constituent-Based Top-Quark Tagging with the ATLAS Detector****Speaker**

Kevin Thomas Greif

**10:03-10:04 Performance of top/W/Z taggers using UFO jets in ATLAS****Speaker**

Martin Murin

**10:04-10:05 New techniques for ATLAS jet energy calibration****Speaker**

Naseem Bouchhar

12:01
