

# 2nd Annual Meeting

## Wednesday 19 April 2023

### Workshop on Roadmap for technology Infrastructure: (Room Tommaseo A) (08:30 - 11:30)

-Conveners: Sylvie Leray

time	[id] title	presenter
08:30	[81] Introduction	Dr LERAY, Sylvie
09:00	[82] Implications on the necessary developments/upgrades of the different categories of TPs » - Facilities for beam tests of accelerator components	Dr BOCIAN, Dariusz
09:20	[83] Platforms for Manufacturing, treatments and test of Magnet components for accelerator	ROUX, Sylvain Claude
09:25	[84] Test stations for High Power RF components	Dr DANCILA, Dragos
09:45	[85] Test stations for mechanical manufacturing and tests (at cryogenic temperatures)	VALLCORBA, Roser
10:00	Break	
10:15	[86] Platform for characterization, treatments and test of materials	KAABI, Walid
10:35	[87] Test stations for RF equipment (zoom)	MIYAZAKI, Akira
10:50	[88] Platforms for clean assembly, alignment and tests of accelerator components (zoom)	MIYAZAKI, Akira
11:05	[89] Discussion
