Compute Accelerator Forum Introduction

2023-03-08

Ben, Graeme, Maria, Michael, Stefan

Compute Accelerator Forum - 8 March

- Welcome to today's Compute Accelerator Forum meeting
- Today we have a talk looking at Event Generation with Julia and the path to GPUs
  - Thanks to Uwe Hernandez Acosta from HZDR for joining us
- Next scheduled meeting
  - 14 June Hepix Benchmarking,
  - 10 May meeting is cancelled (it's CHEP)
  - 26 April meeting still open (we have ideas!)
- As ever if you would like to present or to propose a topic, please get in touch
  - compute-accelerator-forum-organizers@cern.ch

Note the Openlab Technical Forum is 16-17 March, which has a session on heterogeneous computing
