

Session Program

Sep 26 - 30, 2011

TWEPP 2011 Topical Workshop on Electronics for Particle Physics

A5a - Packaging and Interconnects

Vienna, Austria

Vienna University of Technology Department of Electrical
Engineering Gusshausstraße 27-29 1040 Vienna, Austria

Thu, September 29

9:50 AM

A5a - Packaging and Interconnects

Session |

Location: Vienna, Austria, Room EI 7, **Vienna University of Technology**

Department: Institute of Electrical Engineering Gusshausstraße 27-29 1040 Vienna, Austria |

9:50 - 10:15 AM

Microfluidic cooling for detectors and electronics

Speaker

Paolo Petagna

10:15 - 10:40 AM

Progress on a Si-W ECAL Detection and Readout Interconnects

Speaker

Mr Michael Woods

10:40 AM
