

PhD School on QCD in Extreme Conditions

Sunday, 23 July 2023

New developments in Relativistic Hydrodynamics for Heavy-Ion Collisions: Part I - Room E.10A (11:00 - 12:30)

-Conveners: Wojciech Florkowski

time	[id] title	presenter
11:00	[7] New developments in Relativistic Hydrodynamics for Heavy-Ion Collisions - Part I	FLORKOWSKI, Wojciech

Monday, 24 July 2023

New developments in Relativistic Hydrodynamics for Heavy-Ion Collisions: Part II - Room E.10A (08:30 - 10:00)

-Conveners: Wojciech Florkowski

time	[id] title	presenter
08:30	[8] New developments in Relativistic Hydrodynamics for Heavy-Ion Collisions - Part II	FLORKOWSKI, Wojciech

Tuesday, 25 July 2023

New developments in Relativistic Hydrodynamics for Heavy-Ion Collisions: Part III - Room E.10A (16:00 - 17:30)

-Conveners: Wojciech Florkowski

time	[id] title	presenter
16:00	[9] New developments in Relativistic Hydrodynamics for Heavy-Ion Collisions - Part III	FLORKOWSKI, Wojciech
