

# Alexmolds

## MECHANICAL PARTS AND TOOLS DESIGN AND MANUFACTURING

### A FEW THINGS ABOUT US

- Location: GREECE, Schisto Industrial Park
- Personnel: 10 people
- EN9100 Certified (OIN 6142658880)
- ISO9001 Certified
- Website: [www.alexmolds.gr](http://www.alexmolds.gr)
- Email: [alex@alexmolds.gr](mailto:alex@alexmolds.gr)
- Phone: +302104117250
- Contact Person: Ioannis Alexopoulos

### MANUFACTURING CAPABILITIES

- Metallic - High Precision Complex Parts
- Prototyping
- Small and medium quantities
- Tools and Jigs
- Plastic Injection Molds
- Aluminum die casting Molds
- Progressive Molds
- Composite Molds

### MATERIALS

- Stainless steels
- Aluminum
- High temp alloys (Inconel)
- Titanium
- Tool steels (+ Hardened)
- Plastics + Advanced Plastics
- Beryllium copper – copper - brass

### MAIN ADVANTAGES

- 40 years of **experience**
- **Flexibility** in production
- **Assembly** operations
- Wide range of **materials**
- **Prompt response** to demands
- Ability to add **extra shifts**
- Secondary **existing work area**

## MACHINE LIST

- CNC MACHINING CENTER AKIRA SEIKI V2,5 XP **X760 Y435 Z520 WITH 5 AXIS ROTARY TABLE**
- CNC MACHINING CENTER HAAS VF2 **X760 Y410 Z500** with **4 AXIS ROTARY TABLE**
- CNC MACHINING CENTER AKIRA SEIKI V4,5 XP **X1150 Y640 Z660**
- CNC MACHINING CENTER CH MV1200 **X1200 Y600 Z650**
- CNC LATHE DMG CLX450 **Φ500X1000**
- CNC LATHE HAAS TL2 **Φ400X1200**
- CNC MILL MACHINE **X800 Y400 Z400**
- CMM MACHINE **DEA X700 Y500 Z500**
