

# CERN Neutrino Platform Pheno Week 2023

## Monday 13 March 2023

### Neutrino Masses and Mixings - 4/3-006 - TH Conference Room (14:30 - 16:00)

-Conveners: Vedran Brdar

time	[id] title	presenter
14:30	[3] Next-Generation Neutrino Physics with DUNE	WU, Wenjie Dr WU, Wenjie
15:00	[4] Neutrino Mass Models	BABU, K. S.
15:30	[5] Flavour Symmetries	PETCOV, Serguey

### Neutrino Masses and Mixings: Contributed talks - 4/3-006 - TH Conference Room (16:30 - 18:30)

-Conveners: Julia Gehrlein

time	[id] title	presenter
16:30	[23] Marrying charged lepton flavour violation to neutrino mass	Dr BIGARAN, Innes
16:55	[24] Impact of Massive Neutrinos and Gravitational Corrections on Electroweak Vacuum Metastability	CHAUHAN, Garv
17:20	[25] Closing in on the lepton number violating dimension-7 SMEFT Operators	HATI, Chandan
17:45	[27] Sterile neutrinos in string derived models	FARAGGI, Alon
