ECFA Detector R&D Roadmap Task Force 6: Calorimetry Community Meeting

Sandwich calorimeters with fully embedded electronics

CERN, 222/R-001
Aka Filtration Plant

Thursday 12 January

09:45

Sandwich calorimeters with fully embedded electronics: Main calorimeters

Session | **Location:** CERN, 222/R-001, Aka Filtration Plant | **Conveners:** Frank Simon, David Barney

09:45–10:10

Electromagnetic section

Speaker

Adrian Irlès

10:20–10:40

Hadronic section

Speakers

Katja Kruger, Katja Kruger

10:50

11:05

Sandwich calorimeters with fully embedded electronics: Main and forward calorimeters

Session | **Location:** CERN, 222/R-001, Aka Filtration Plant | **Conveners:** Frank Simon, David Barney

11:05–11:15

Calorimeters based on MAPS sensors

Speaker

Thomas Peitzmann

11:20–11:35

Forward Calorimeters

Speaker

Yan Benhammou

12:00

11:40–12:00

Spillover and discussion
