Quarkonia As Tools 2023 (QaT2023+)

TMDs, Spin, etc

Centre Paul Langevin
Aussois, Vanoise Massif, France

Sat, January 14

8:30 AM

TMDs, Spin, etc: TMDs and spin physics with quarkonia

Session | **Location:** Centre Paul Langevin, Aussois, Vanoise Massif, France

8:30 - 9:00 AM **Constraining gluon TMDs with quarkonia**

Speaker

Dr Francesco Giovanni Celiberto

9:00 - 9:30 AM **TMDs from double J/psi production**

Speaker

ALICE COLPANI SERRI

9:30 - 10:00 AM **Revised TMD shape function in SIDIS**

Speaker

Luca Maxia

10:00 - 10:30 AM **Quarkonium + jet at large rapidity separation**

Speaker

Michael Fucilla

10:30 - 11:00 AM **Coffe break**

11:00 - 11:15 AM **Q&A session**

Speakers

Alice Colpani Serri, Dr Francesco Giovanni Celiberto, Luca Maxia
