## TMDs, Spin, etc: TMDs and spin physics with quarkonia

**Session** | **Location:** Centre Paul Langevin, Aussois, Vanoise Massif, France

08:30–09:00 **Constraining gluon TMDs with quarkonia**

**Speaker**

Dr Francesco Giovanni Celiberto

09:00–09:30 **TMDs from double J/psi production**

**Speaker**

ALICE COLPANI SERRI

09:30–10:00 **Revised TMD shape function in SIDIS**

**Speaker**

Luca Maxia

10:00–10:30 **Quarkonium + jet at large rapidity separation**

**Speaker**

Michael Fucilla

10:30–11:00 **Coffe break**

11:00–11:15 **Q&A session**

**Speakers**

Alice Colpani Serri, Dr Francesco Giovanni Celiberto, Luca Maxia

11:15–12:00 **Discussion**

12:00
