

Session Program

4-14 Jan 2023

Quarkonia As Tools 2023 (QaT2023+)

Satellite workshop on Fixed target experiments at LHC

Centre Paul Langevin
Aussois, Vanoise Massif, France

Thursday 5 January

17:00

19:45

Satellite workshop on Fixed target experiments at LHC: <https://indico.cern.ch/event/1222068/timetable>

Session | **Location:** Centre Paul Langevin, Le Râteau

Friday 6 January

09:00

Satellite workshop on Fixed target experiments at LHC

Session | **Location:** Centre Paul Langevin, Le Râteau

12:00

16:30

Satellite workshop on Fixed target experiments at LHC

Session | **Location:** Centre Paul Langevin, Le Râteau

17:30

18:00

Satellite workshop on Fixed target experiments at LHC

Session | **Location:** Centre Paul Langevin, Aussois, Vanoise Massif, France

19:30

Saturday 7 January

09:00

12:00

Satellite workshop on Fixed target experiments at LHC

Session | **Location:** Centre Paul Langevin, Le Râteau
