OVERALL STRUCTURE OF THE WORKSHOP

Sessions:

→ Mon-Fri: start at **9 AM** - end at **5.30 PM (Wed at 12.30 PM)**

Talks: 30 min, **including** questions

→ please upload your contribution on <https://indico.cern.ch/e/lowx2023>

→ discussion leaders to chair the sessions

Concluding discussion/session: 30 min

→ discussion leaders to **steer** the discussion

→ active participation is encouraged, particularly from younger colleagues

PRACTICAL INFORMATION

If not yet registered, please kindly do so (next to the conf room)

- confirm your **tour participation & meal restrictions**
- & don't forget to pickup your favourite bag ;D

All sessions will be held in this room (obviously, but just saying ;)

- 2 coffee breaks / day: served upstairs **next to the lunch/dining room**
- lunch breaks: 12.30-2 PM (1-2 glasses of alcohol/soft drinks included)
- dinner: 7.30 PM (a bit more of alcohol/soft drinks included)
 - we kindly ask to **wear your badges** (helping employees ;)
 - after dinner (~9 PM) the pool bar is open till late

SOCIAL EVENTS & CONF PHOTO

Welcome drink today at 6.30 PM at the pool bar

- invited the mayor of the island (international events not that common ;)

Conf photo on Wednesday's coffee break

Island tour by bus on Wednesday at 3.30 PM

Conference dinner on Wednesday at 7.30 PM

- shuttle will take us there and bring us back
- [Psaropoula Restaurant](#) at Panteli village

NB: Hotel might share event photos on social media → **let us know** in case you don't consent

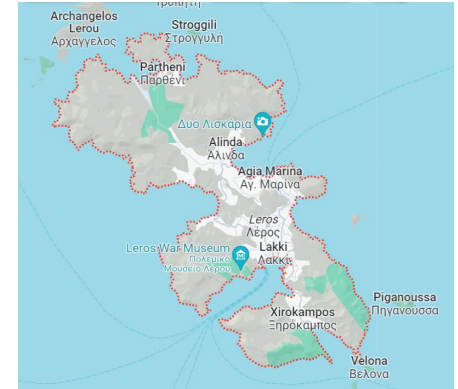

GETTING AROUND

Leros is a small but very charming island

- “small”: you’d need a means for larger distances
- bike/car rentals available (also from the hotel); taxi

Some indicative locations

- port: Lakki (nice and a bit historical seafront for a walk, with a means)
- relaxing evenings: Agia Marina (~10 min walk)
- beach in front of the hotel is nice
 - Alinda (~15 min walk), Agia Kioura (best beach, with a means)
- don’t hesitate to ask the hotel and locals ;D

COMMUNICATION INFORMATION

We may send **minimal** reminders to registered participants

Do not hesitate to contact us in case you need any help

- personal emails as in the [Overview page](#)
-

In case of any **emergency**: 112
