

## **Session Program**

**22-23 Mar 2023**

# **Implementation of TF3 Solid State Detectors** ***Non-silicon semiconductor and other material studies***

CERN, 222/R-001

## Thursday 23 March

10:00

### Non-silicon semiconductor and other material studies

**Session** | **Location:** CERN, 222/R-001

10:00–10:05

#### **WG6: Non-silicon semiconductor and other material studies, introduction**

**Speaker**

Dr Giulio Pellegrini

10:05–10:20

#### **WG6: Strategic R&D and opportunities - future activities**

**Speaker**

Thomas Bergauer

10:20–10:30

#### **WG6: Plan for deliverables/milestones**

**Speaker**

Xin Shi

10:30–11:00

#### **Coffee Break**

11:00–11:30

#### **WG6: Non-silicon semiconductor and other material studies (Discussion)**

**Speakers**

Alexander Oh, Dr Giulio Pellegrini, Thomas Bergauer, Thomas Koffas, Xin Shi

11:30
