

Contribution ID: 111

Type: **Oral Presentation**

Analysis of pulsatile flows of complex fluids in two-dimensional channels

Wednesday, 17 May 2023 17:10 (20 minutes)

Primary authors: Ms PARK, Nayeon (Seoul National University); Prof. NAM, Jaewook (Seoul National University)

Presenter: Ms PARK, Nayeon (Seoul National University)

Session Classification: Non-Newtonian Fluid Mechanics and Stability

Track Classification: General Symposia: Non-Newtonian Fluid Mechanics and Stability
