

Contribution ID: 67

Type: **Oral Presentation**

## **KEYNOTE: Effect of local relaxation time on drag reduction in turbulent boundary layer flow of viscoelastic fluids**

*Friday, 19 May 2023 10:30 (40 minutes)*

**Primary author:** Prof. TAMANO, Shinji (Nagoya Institute of Technology)

**Co-authors:** Mr OSAWA, Hiromi (Nagoya Institute of Technology); Dr MUTO, Masakazu (Nagoya Institute of Technology)

**Presenter:** Prof. TAMANO, Shinji (Nagoya Institute of Technology)

**Session Classification:** Non-Newtonian Fluid Mechanics and Stability

**Track Classification:** General Symposia: Non-Newtonian Fluid Mechanics and Stability
