

Contribution ID: 139

Type: **Oral Presentation**

Application of a robust self-healing experimental protocol for associating polymers

Friday, 19 May 2023 11:30 (20 minutes)

Primary author: Ms MORADINIK, Nafiseh (The University of British Columbia)

Co-author: Prof. HATZIKIRIAKOS, Savvas (The university of british columbia)

Presenter: Ms MORADINIK, Nafiseh (The University of British Columbia)

Session Classification: Polymer Solutions and Melts

Track Classification: General Symposia: Polymer Solutions and Melts
