

Contribution ID: 86

Type: **Oral Presentation**

KEYNOTE: Role of network compressibility on the complex conductivity of structured polyelectrolyte hydrogels

Wednesday, 17 May 2023 10:30 (40 minutes)

Primary author: HILL, Reghan (McGill University)

Presenter: HILL, Reghan (McGill University)

Session Classification: Blends, Composites and Nanocomposites

Track Classification: General Symposia: Blends, Composites and Nanocomposites
